

Covid Protocols for 2021-2022

	Elementary	Middle/High
Arrival protocol	Until 7:30, all students enter the gym under the awning and report to morning care. After 7:30, all students enter through the front door and report to classrooms.	All students enter through the front door. Students report to the gym until 7:45 and to their homerooms after 7:45.
Dismissal protocol	Dismissal protocols remain the same as last year.	
Masks	In compliance with the diocesan mask mandate for schools, all students and staff are required to wear a mask indoors during the school day for at least the first month of school.	
Student assemblies	Students will be required to wear a mask for all indoor gatherings with multiple classes.	Students will be seated by grade level in different sections of the gym separated from other classes by at least six feet.
Mass	All students (vaccinated or unvaccinated) will wear a mask for the duration of mass.	
Social distancing	A minimum of three feet distance will be maintained indoors when possible.	
Exposure/Quarantine Procedures	A quarantine period of ten days is required following a known exposure to Covid-19 except for those fully vaccinated, those who have had Covid-19 in the previous three months, and those who wore well-fitted masks consistently and correctly when the positive individual was also masked. Vaccinated students must have proof of vaccination on file in the school office. Students exposed outside of school must quarantine for ten days from exposure, and parents must notify the school.	
Sanitation	Hand sanitizer is available in every classroom. We will continue to emphasize proper hand washing.	
Visitors	Visitors are welcome and required to wear a mask and social distance.	
Field trips and extracurriculars	Field trips and extracurriculars are allowed with protocols. Particular protocols will be determined and communicated based on the nature of the event.	
Athletics	Athletics will continue following AHSAA protocols for safe play.	
Student illness	Students exhibiting any sign of illness should stay home. Communicate absences via the online portal. Students who become ill at school will be sent home.	
Morning care	Morning care is available 7:00-7:30 a.m. Masks required.	Students sit socially distanced in gym beginning at 7:15 a.m.
Aftercare	Aftercare is available 3:05-6:00 p.m. Masks required.
