### *Graduation Service Hour Requirements*

Each student is required to complete 25 service hours during each year of high school, for a total of 100 hours completed by graduation. The 25 hours must be completed during each school year. You cannot complete 100 hours freshman year and apply those hours for future years. Anything qualifies for this graduation requirement EXCEPT: 1) School coordinated service projects such as Service Day, Box of Joy, class service projects, etc. AND 2) Service completed for the student's family, such as yard work, taking out the garbage, washing the car, etc. Family conducted service projects do count, such as family serving at Jeremiah's Garden. Students who have not completed yearly service hours will be required to make them up during the summer working at school. Seniors who have not completed their service hours will not be allowed to participate in senior activities, including graduation. Students in grades 9-11 must have their hours in by the last day of school. Seniors must have their hours in by mid-April. Any hours completed over the summer will count toward the upcoming school year.

### *Key Club Requirements*

Key Club members must earn 50 service hours each school year. 25 hours earned over the summer can count toward this amount for the upcoming school year. Any service can count toward Key Club hours, including those that are school coordinated, except for Service Day. To earn a Key Club cord, you must complete 50 hours during your sophomore, junior, and senior years of high school. Your 50 hours for each school year must be completed by May 1<sup>st</sup>.

### *National (Junior) Honor Society Requirements*

N(J)HS members must complete 20 service hours for the full school year. 10 hours must be completed each semester. Service activities eligible for National Junior Honor Society must align with Graduation requirements.

### *Presidential Volunteer Service Award Requirements*

Religious and political affiliated service activities cannot count toward the Presidential Volunteer Service Award. Hours for donating goods also cannot count. Hours at each level must be completed in a single calendar year. For Holy Spirit that year will go from April-April. For example, to achieve the Silver Teen Award you must complete at least 75 hours from April 2024-April 2025.
